

I am writing to tell you about K-LOVE. I want you to know that the broadcasting of this station has a continuously positive message for the community. It is uplifting and encouraging. I believe it is vital for this community to have this option available. It would be very detrimental to lose this positive influence here. It is in the best interest of this community to have this station, K-LOVE available for listeners. There are so many negative influences available. Please do not do anything to impact the positive message availability from this station.

Thank you.
